

This Planter has the best Guano sower yet made. It will distribute with perfect regularity from 25 to 400 pounds to the acre. It does not work up the Guano in a sticky mass but it forces out continuously just the quantity wanted. It surprises and delights the operator by its smooth actions and its simplicity. At one trip this planter sows Guano, covers it, opens another furrow and plants in the most perfect manner Cotton, Corn, Peas, Peanuts, Sorghum, Cantaloupes, Beans and similar seeds. The depth, distance, and quantity of seed are easily adjustable. It is light on one horse and is easiest operated of all. This Planter we can furnish you in four different shapes.

Also we carry the Avery and Hampton. If you are in the market for something good, write for catalogue and prices or call and see our stock.

This is the plow that is so well recommended by the farmers. It is the simplest and most practical of all. A combination plow that can be used the season 'round. With this plow you see in cut you have three different sizes of mould boards, besides a Sweep, a Potato Digger, a Coulter, a Middle Burster, a Weeder that can be attached to the same plow, all chilled and polished. The beam works with a socket right and left, up and down. The handle also works with a socket that can be raised or lowered. It is the only plow that will successfully turn the soil in dry weather.

Prices will be given for the asking

Beachville Briefs.

The farmers of Beachville are busy preparing the ground to plant their crops.

Mr. and Mrs. W. T. Beach are visiting their son, Mr. J. R. Beach and family, at Trenton, Fla. They will return by High Springs to see Mrs. Beach's sister, Mrs. Ubanks.

Mr. Lee Owens, of Watertown, is visiting relatives and friends at Beachville.

Mr. Lee Owens, Mrs. Sallie Cason and son Roy, spent Sunday with Mrs. Cason's parents, Mr. and Mrs. M. Boyd.

Mr. and Mrs. Lawrence Bibby are the proud parents of a fine girl that arrived here St. Valentine's day.

Hog killing time is about over and most all of Beachville's citizens have plenty of hog and hominy for this year. Some will have plenty and enough to spare their less fortunate neighbor a few sides of meat.

Mr. and Mrs. Sanford Beach entertained their friends at their home on the night of February 13th. All report having a most pleasant time. Those present were: Mr. and Mrs. T. F. Beach, Mr. and Mrs. J. A. Cason, Mrs. J. E. Odom, Messrs. Lee Owens, Frank and Willie Beach, Berry Swails, Willie Odom, Roy Gilley, Willie Timmerman, Sealy Sweat. Misses Eula and Mary

Laundram, Lucy Crawford, Myra Odom, Irvie Sweat and Emma Swales. Mrs. J. T. Crawford has been on the sick list for the past week. It is truly hoped by all that she will soon be able to be about among us again.

Mr. and Mrs. J. S. Beach and T. F. Beach spent Sunday with their brother, Sanford Beach and wife.

Wonder what young man went home Sunday p. m., with an aching heart because his best girl was not feeling well?

Wonder what young lady was looking her best at Mr. Beach's entertainment because Mr. Lee Owens was present? Look out or Lee won't be a bachelor much longer.

Listen close and don't make much noise and we think you will hear the wedding bells ringing about Beachville in the near future. If not, we are much mistaken. SHAUNEE.

HEALTH AND VITALITY Mott's Nerve Pills

The great iron and tonic restorative for men and women, produce strength and vitality, builds up the system and renews the normal vigor. For sale by druggists or by mail, \$1. per box, six boxes for \$5.00. Williams Mfg. Co., Props., Cleveland, Ohio. Suwannee Drug Co.

WANTED—Position by experienced saleslady in good Florida town. Best of reference furnished. Experienced both in buying and selling. Address C, care of this office.

The railroads entering the city were all notified by the Railroad Commission to appear before that body yesterday and show cause, if any there be, why they have not or do not build a union passenger depot in this city. W. R. Letcher, proprietor of the Suwannee hotel, represented the Live Oak Board of Trade at the meeting.

Charles Blackburn left Monday for Sarasota, where on yesterday he was to lead to the altar Miss Bessie Ophelia Hypes, the charming and accomplished daughter of Rev. and Mrs. J. W. Hypes. Before returning to this city, where they will reside, they will spend about two weeks visiting points of interest in South Florida. The Democrat joins their many friends in wishing them a happy life.

The editor of the Democrat returned Monday from a combined business and pleasure visit to Tampa and St. Petersburg. While in Tampa we had the pleasure of visiting the State Fair, and we were agreeably surprised to see so many very fine exhibits of Florida fruits and vegetables, although the number of counties represented was by no means what one would expect to see at a State fair. The Hillsboro county exhibit surpasses all others in beauty and size. Columbia county has a splendid exhibit of fruit, vegetables, farm products, etc., gotten up by Hon. T. J. Appleyard at his own expense, and in charge of Mr. Appleyard and his accomplished daughter, Miss Sarah. A number of other counties have very creditable exhibits. The races at the fair are good. While in Tampa we were the guest of Prof. L. M. Hatton, president of the Tampa Business College, one of the best conducted and most successful commercial colleges in the South. This college has now about 150 pupils enrolled, and it is growing every day. Graduates have no trouble in securing employment at a good salary. Hundreds of those graduating in the past few years are holding positions of honor and trust in Tampa and South Florida and indeed, in nearly every wholesale store, railroad office, steamship office and bank in Tampa you will find a graduate of the Tampa Business College.

We are now receiving our Spring and Summer Goods

And while the weather may be a bit cool, you will find many seasonable articles among them, such as
